Friday Sermon, 2016

The All Powerful One God

By Hazrat Mirza Masroor Ahmad
Vth Caliph

Today Hazrat Khalifatul Masih presented some extracts from the writings of the Promised Messiah (on whom be peace) illustrating the reality and station of Allah the Exalted, the station by virtue of which He is the Possessor of all powers and The One, the Creator of all creations and while everything will perish, Allah is above it.

Now the only source to reach the God of this universe is the Holy Prophet (peace and blessings of Allah be on him). In order to appreciate the power of God one must turn to God in complete sincerity and worship Him. If this is done, God runs to embrace His servants and showers them with His blessings. The Promised Messiah (on whom be peace) asked us with great anguish to connect to God in this manner and thus adorn our life in this world as well as in the Hereafter.

The Promised Messiah (on whom be peace) wrote: 'The objective of all commandments of the religion of Islam is to elucidate the reality of the beauty that is inherent in the word 'Islam'. The Holy Qur'an comprises teachings which work towards endearing God. They exhibit His beauties and remind us of His beneficence, inasmuch as love is created either by the observation of beauty or by the remembrance of beneficence. The Qur'an teaches that by virtue of His excellences God is One, without associate. He suffers from no defect. He comprehends all good qualities and manifests all holy powers. He is the Originator of all creation and is the fountainhead of all grace.

Our God

by Hazrat Mirza Bashir Ahmad,
M.A.^(ra)

DOES GOD EXIST? Indeed, why should we even investigate His existence? And if God exists, why can we not see Him?

Hadrat Mirza Bashir Ahmad, a recipient of Divine revelation and noted scholar, answers these and other difficult questions in Our God. He explains in detail how reason, science, and human nature itself, all point to the existence of God, and refutes several arguments put forth by atheists. The author asks those who already believe in God to reflect:

Can you honestly declare that your belief impacts your everyday life as a living reality? Do you actually feel the love of God in your heart and fear His displeasure; does your belief actually motivate you to do good and shun evil? In all matters, do you actually put your trust in God and not in material means?

For seekers, believers, and atheists alike, Our God will test your beliefs and make a compelling argument for the existence of a Supreme Divine Being that may change your life
